

CAQH Credentialing

# The CAQH Provider Credentialing Application Is Accepted Nationwide

The CAQH Credentialing application is accepted in all 50 states, even those with unique state forms. When providers login to CAQH credentialing, the application fields are modified based on the states where they practice. This means CAQH can be used for your entire provider network across all health plans.

**12** 12 states and the District of Columbia have **adopted the CAQH provider credentialing application**

**25** 25 states have voluntarily **deployed the CAQH provider credentialing application.**

**13** CAQH ProView supports 13 **unique state forms**
