

RealMed Corporation

CAQH Administrative Simplification
Conference

Washington, D.C.

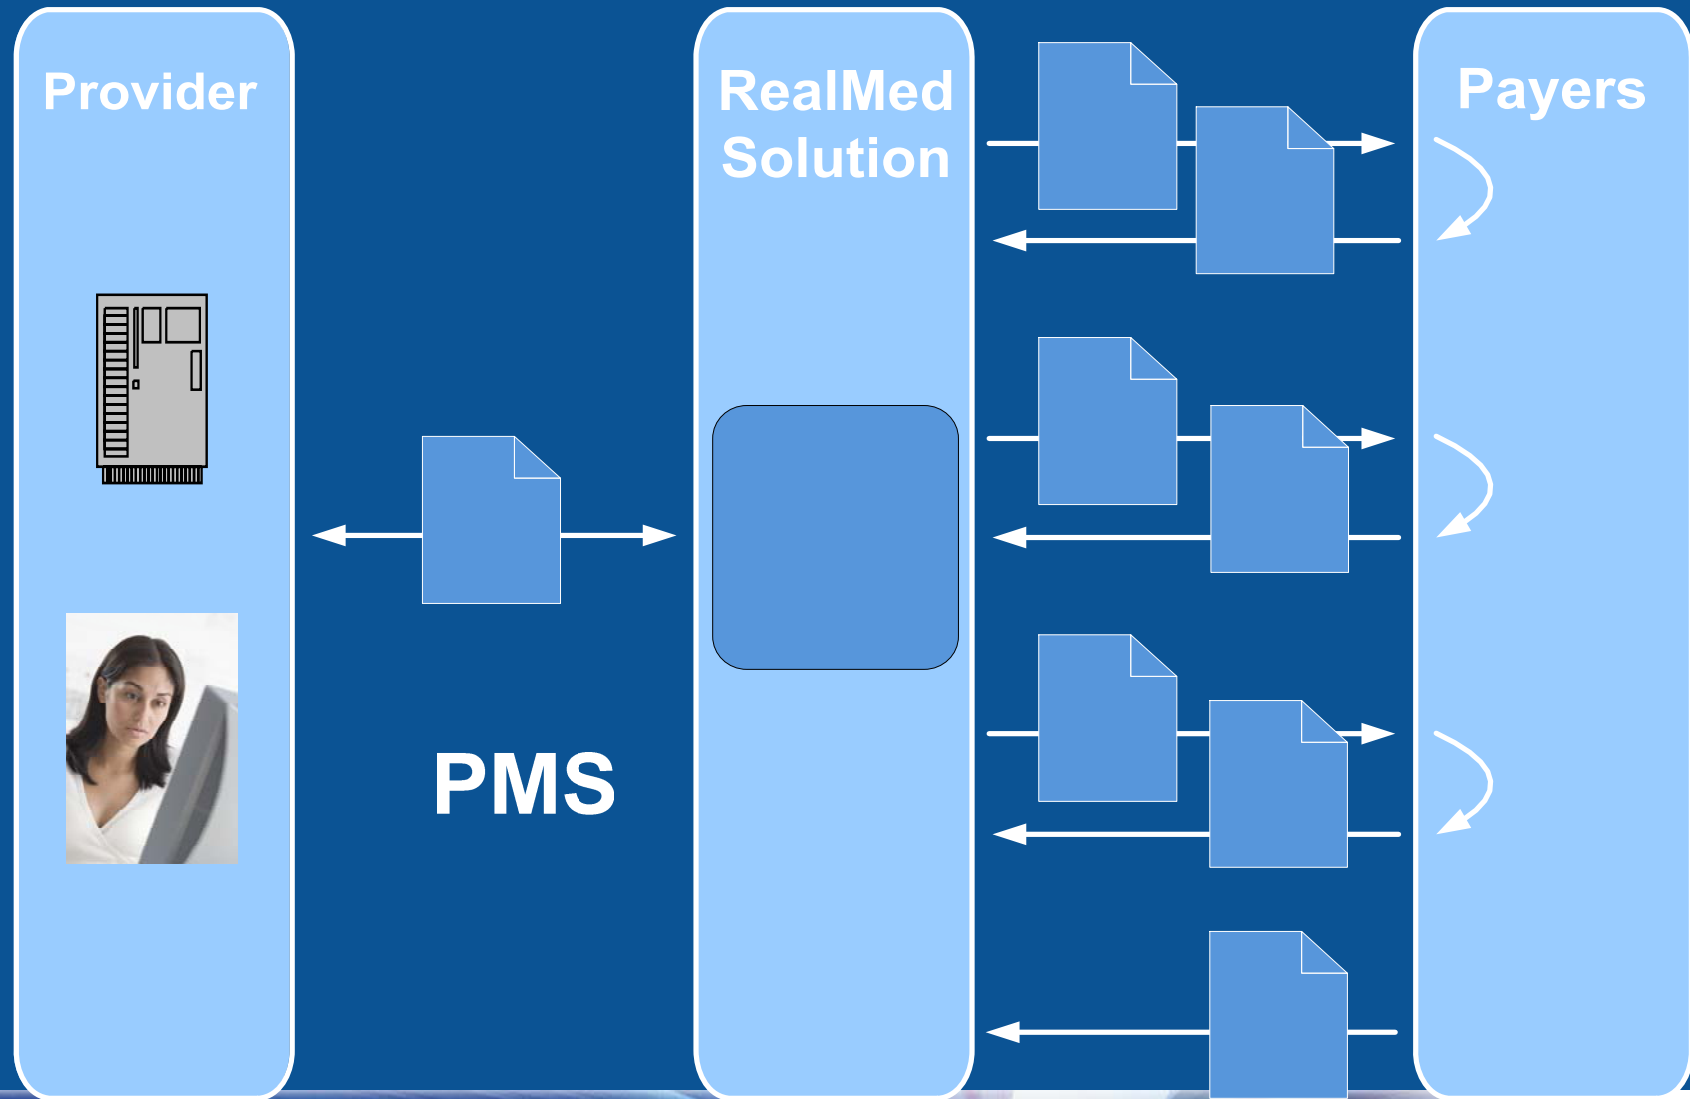

September 25, 2008

RealMed is...

A universal-payer, *fully-automated*
Revenue Cycle Management Solution

- Eligibility (real-time and batch)
- Claims (real-time and batch)
- Claim Status (real-time and batch)
- Remittance

RealMed Automation

RealMed ...

- Is headquartered in Indianapolis, Indiana
- Provides services to 22,000 providers in 25 states
- Performs over 1.6 M transactions daily
- Direct-connection to >90% of payers to whom our provider-clients submit

RealMed ...

- Has been partnered with BCBSNC and other Blues since 2000
- Provides real-time transactions for:
 - eligibility
 - claim adjudication
 - claim status

RealMed...

- Reviewed CAQH objectives and found them consistent with RealMed's mission
- Joined CORE as a participating organization in August, 2007

RealMed's Benefits from CORE

- Faster implementation of new payers
- Reduced maintenance costs
- Reduced Help Desk issues for inconsistent or missing information

CORE Benefits for RealMed Clients

- Consistent information
- Faster eligibility response
- Additional eligibility elements (Phase II)
- Consistent and timely claim status (Phase II)

RealMed Phase I Next Steps

- Complete Phase I Certification Efforts
- Implement CORE integration of realtime eligibility with BCBSNC
- Evaluate realtime eligibility connections with other trading partners

RealMed Phase II Next Steps

- Release client-facing 276/277 HTTPS portal
- Complete Phase II Gap Analysis
- Identify resource needs and timeline for development efforts
- Complete Phase II Certification Steps in 2009
- Integrate CORE realtime claim status for BCBSNC into application
