2. *Location.* The principal office of the CORE is at 601 Pennsylvania Avenue, NW, South Building, Suite 500, Washington, DC 20004.
3. *Nature.* The CORE consists of representatives of CAQH member organizations in good standing and of other organizations that are interested in meeting the goals of the CORE, such as health plans, standard setting organizations, government agencies, provider organizations, technology companies and the like.
4. *Mission.* The mission of the CORE is to devise, disseminate, implement, and revise operating rules enabling healthcare providers to quickly obtain reliable patient-specific information on the patient’s health plan benefits and eligibility and other administrative data.

**ARTICLE II. MEMBERSHIP**

1. *Membership.* CORE membership is open to any interested organization. There are four categories of membership: Full membership, Private Advisory membership, Standard Setting/Technical Advisory membership, and Government Advisory membership.
  - a. **Full Membership.** All full CORE members are of equal status on the CORE and are entitled to one vote on any issue that is before the CORE. To be a Full member, an organization or the constituency group it represents must create, transmit, or use the administrative transactions for daily business or be a member in good standing of CAQH. These entities may be public or private organizations. CAQH itself is not a member of the CORE, either full or advisory. A Full membership is held by a single organization (that is, a single legal entity).

- b. **Private Advisory Membership.** Private Advisory members are fully participating, fees paying, non-voting members that do not create, transmit, or use the HIPAA transactions for their daily business, such as professional associations.
  - c. **Standard Setting/National Technical Advisory Membership.** Standard Setting and National Technical Advisory members are fully participating, non-fees paying, non-voting members.
  - d. **Government Advisory Membership.** Government Advisory members include Federal and state-based government agencies. If numerous state-based agencies represent the same sector of state business or function, e.g., state Medicaid bodies, they may join under a representative centralized body, providing such body is a government agency. Government agencies that have multiple functions may join separately as different types of members where appropriate, e.g. Health and Human Services (HHS). Government Advisory members are fully participating, non-fees paying members that have the option of being voting members if they create, transmit, or use the transactions in their daily business.
2. *Membership Application.* Application for membership shall be made in writing to CAQH. The application must include information that establishes the applicant's eligibility to hold membership in the CORE, its ability to pay required fees, and any other information requested by CAQH.
  3. *Membership Determination.* Determination of membership is based upon whether the applicant meets the criteria for membership as specified in Article II and has paid the required fees.
  4. *Membership Rights and Privileges.* Each member may send up to three representatives from the member organization to any CORE meeting. Each member shall designate one official representative to vote on behalf of that member and/or to receive all written materials and publications produced by the CORE.
  5. *Resignation.* Any member may resign by submitting a written resignation to CAQH; however, resignation does not relieve a member from liability for required annual fees accrued and unpaid for the current year as of the date of resignation.
  6. *Termination.* Any member may be terminated by CAQH without advance written notice for failure to pay required fees or failure to maintain eligibility for membership.
  7. *Meetings.* The time and place of the meeting is determined by CAQH. The Chair of the Steering Committee shall serve as the chair of the CORE meetings. CAQH shall serve as Secretariat for the CORE.

**ARTICLE VII. VOTING ON RULES, AMENDING THE GOVERNING PROCEDURES OF THE COMMITTEE ON OPERATING RULES FOR INFORMATION EXCHANGE, METHODS FOR HOLDING MEETINGS, ACTING WITHOUT HOLDING A MEETING**

quorum is present. All such membership-approved rules shall go into effect immediately upon approval by CORE.

2. *Amending Governing Procedures.* Any member may propose an amendment to the Governing Procedures. If the Steering Committee approves the amendment, it will present it to the CORE membership at the next meeting. If a CORE quorum is present, a two-thirds majority (66.67%) of votes cast by members present at a meeting of the CORE carries the amendment, which goes into effect in 20 business days unless the CAQH Board, by a vote of two thirds (66.67%) or more of the eligible votes at a meeting at which a quorum is present, votes to disapprove the amendments during the twenty-day period. Notice of any proposed Governing Procedures amendments shall be provided to all CORE members.
3. *Meetings.* Meetings of any CORE group may be held in person or by telephone conference, electronic video screen communications, email, or other communications equipment. Participation in a meeting by telephone conference constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another. Participation in a meeting through use of electronic video screen communication or other communications equipment, other than telephone conference, constitutes presence in person at that meeting if (1) each member participating in the meeting can communicate with all of the other members concurrently; (2) each member is provided the means of participating in all matters, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken; (3) the person participating in the meeting is a member entitled to participate in the meeting and that all actions of, or votes are taken or cast only by the members and not by persons who are not members. At the discretion of the chair of the meeting, voting by meeting participants may be allowed for a defined period following the meeting and may be carried out by mail, by email, or via fax.
4. *Acting Without Holding a Meeting.* Any action may be taken without a meeting if the group seeking to take the action distributes some form of ballot to every participant entitled to vote on the matter. The ballot and any related material may be sent by electronic means, and responses may be returned by electronic means. Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action and the number of approvals equals or exceeds the number of votes that would be required to approve at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. The ballot or material distributed with the ballot shall indicate the number of responses needed to meet the quorum requirement, the percentage of approvals necessary to pass the measure submitted, and the time by which the ballot must be received in order to be counted.
